## The 9<sup>th</sup> edition of SEMINAR of ROMANIAN ELECTROTECHNICAL HISTORY

October 3, 2019

## TOPICS

- a. History of university education in electrotechnical and electromechanical domains in Romania;
- b. The history of the electrotechnical industry in Romania;
- c. Personalities of the electrotechnical community. Museography in this area;
- d. World history of electrotechnics;
- e. Aspects related to the methodology specific to the history and philosophy of science in electrical engineering.

The **PROGRAMME** consists of invited papers and oral presentations. The presentations should not exceed 20 minutes for invited papers, or 15 minutes for oral presentations, including discussions.

The official language of the conference is Romanian.

The **abstract** (in Romanian and English languages) will be sent to the Secretariat, by e-mail to the address:

[gabriela.obreja@icpe-ca.ro](mailto:gabriela.obreja@icpe-ca.ro)

The abstracts will be published in the **ABSTRACTS BOOK**, indexed ISSN, distributed at the seminar.

The selected papers, following a review process, will be published in "**Revista de Istoria Electrotehnicii Românești**" (Journal of Romanian Electrical Engineering History) (ISSN 2066-7965).

## INVITATION

We have the honor to invite you to attend **The 9<sup>th</sup> edition of Seminar of Romanian Electrotechnical History** organized by INC DIE ICPE-CA Bucharest and the Romanian Electrotechnical Committee, with the support of the Ministry of Research and Innovation.

## OBJECTIVE OF THE SEMINAR

The main objective of the seminar is to identify and recall about some historical facts such as personalities, scientific approaches, Romanian priorities in this area, as well as to stimulate researchers and teachers (especially youth) to highlight these historical issues.
