perspectives”*

**10.00 am, November 22, 2018**

Conference Hall of INCDIE ICPE-CA  
313-Splaiul Unirii, District 3, Bucharest,  
ROMANIA

Organized by:

**INCDIE ICPE-CA Bucharest**  
**ROMANIAN FEDERATION OF BIOMEDICAL  
ENGINEERING – FRIB**

under the auspices of

**THE ACADEMY OF MEDICAL SCIENCES**

## INVITATION

We have the honor to invite you to attend the **INGIMED XIX<sup>th</sup> Conference “Romanian Biomedical Engineering over the Century of Unification: history, present, perspectives”**, organized by INCDIE ICPE-CA Bucharest together with the Romanian Federation of Biomedical Engineering under the auspices of the Academy of Medical Sciences, with the support of the Ministry of Research and Innovation.

## Conference Scope

The **INGIMED XIX** Conference is summing-up a century of evolution in Romanian biomedical engineering, offering a good opportunity for disseminating results of the Romanian and international scientific research, becoming aware of the latest achievements in the thematic field, maintaining direct contact among professionals from both engineering and medicine, opening and developing new research directions, identifying the possibility of creating consortia for approaching common projects and participation in European research programs.

## Conference Topics

The Conference will address the following subjects and other related issues:

- ❖ A century of bioengineering in Romania: from rudiments to the performances of today's youth;
- ❖ Clinical engineering in United Romania: from doctors concerned with imported technologies to clinically integrated professionals;
- ❖ History, present, perspectives in technologies involved in prevention & therapy of diabetes and nutrition diseases;
- ❖ History, present, perspectives in technologies related to general surgery or neurosurgery;
- ❖ History, present, perspectives in specific technologies of the clinical laboratory;
- ❖ The status of integrating new biomedical engineers into the public health system.

## Secretariat

[gabriela.obreja@icpe-ca.ro](mailto:gabriela.obreja@icpe-ca.ro)

The **INGIMED XIX PROGRAMME** is made of invited and offered papers (presented in oral or commented-poster sessions).

The presentations should not exceed 20 minutes for invited papers or 15 minutes for offered contributions, including discussions in each case, and 5 minutes for posters.

The official languages of the conference are Romanian and English; full-extent papers must be written in English.

ABSTRACTS (in both Romanian and English versions) will be sent to the Secretariat by e-mail ([gabriela.obreja@icpe-ca.ro](mailto:gabriela.obreja@icpe-ca.ro)). The abstracts will be published in an Abstract Book with ISBN indexation, and distributed to participants at the Conference time.

## DEADLINES

- Abstracts: October 25, 2018
- Notifying abstract acceptance: October 28, 2018
- Full papers sent: November 1, 2018, formatted as shown on the Conference web page
- Final presentations/posters to be sent November 15, 2018

The full papers will be published in the “**Bulletin of Micro- and Nano-electrotehnologies**” (ISSN 2069-1505), following a selection process.
