

VENUE

The event will take place in the university city of Craiova. The city was founded on the site of the Dacian stronghold Pelendava (which later became the Roman Castra Nova) and boasts a strong academic tradition and wealth of important historical figures who passed through here on their journey to fame: Wallachian Prince Mihai Viteazu - who served as the ban (military governor) of Craiova and achieved the first unification of the three Romanian principalities in 1600; the world-famous sculptor Constantin Brancusi - who studied at the Craiova Art School and carved his first sculptures here; Petrache Poenary, born in Craiova, the inventor of the first cartridge fountain pen. Moreover, the Treaty of Peace which ended the Balkan War, treaty known in history as The Peace from Craiova, was signed here in 1913.
