

INVITATION

We have the honour to invite you to attend the 11th International Workshop of Electromagnetic Compatibility CEM 2018 organized by the National Institute for Research and Development in Electrical Engineering INC DIE ICPE-CA, Bucharest, Romania, in partnership with the „Valahia” University of Târgoviște, Faculty of Electrical Engineering, Electronics and Information Technology.

AIM

The workshop will be a good reason for the dissemination and promotion of the Romanian and foreign scientific research results, knowledge of the latest achievements in the thematic field, maintaining direct contact among professionals, opening and developing new research directions, identifying the possibility of creating some research consortia for popularization of valuable research results in scope of tackling projects and participation in European research programs.

WORKSHOP TOPICS

The workshop will address the following topics and other related issues:

- Electromagnetic compatibility in the fields of electronics, communications systems, industrial systems;
- Power quality;
- Biocompatibility;
-]The effects of human exposure to electromagnetic fields;
- Electromagnetic non-destructive evaluation;
- Materials for electromagnetic compatibility;
- Standardization issues.
