## INGIMED XX<sup>th</sup>

*„Biomedical Engineering at the  
crossroads of concepts in the world  
and generations in Romania”*

**November 7, 2019  
Bucharest – Romania**

On-line pre-registration / registration & abstract  
submission form at:

[www.icpe-ca.ro/eng/events/ingimed-2019/registration.htm](http://www.icpe-ca.ro/eng/events/ingimed-2019/registration.htm)

## Conference TOPICS

Under the motto "**Biomedical engineering at the crossroads of concepts in the world and generations in Romania**" this year's INGIMED XX conference will address, without excluding other issues of particular interest, the following topics:

1. Global biomedical engineering; the USA-Europe disparity, the effort to normalize the status of the profession, involvement in reducing global warming to stop destroying the planet
2. Developments in the national centers of BME in the last two decades
3. Quo Vadis biomedical engineering in Romania? The role of the initiation centers such as "Alexandru Proca" Center of ICPE-CA. The exchange of generation in organizing and managing INGIMED after 20 years
4. Opinion and expectations of medical colleagues from BME in Romania
5. Biomedical engineering and medical informatics - how to make their presence felt in hospitals and prevention?
6. The status of the integration of biomedical engineers in the Romanian public health system in the context of recent salary adjustments

The deadline for the **on-line pre-registration of participants** to the conference is **September 16, 2019** at:

[www.icpe-ca.ro/eng/events/ingimed-2019/registration.htm](http://www.icpe-ca.ro/eng/events/ingimed-2019/registration.htm)

## INVITATION

We have the honor to invite you to attend the **INGIMED XX<sup>th</sup> Conference "Biomedical Engineering at the crossroads of concepts in the world and generations in Romania"**, organized by INCDIE ICPE-CA Bucharest together with the Romanian Federation of Biomedical Engineering, under auspices of the Academy of Medical Sciences, in partnership with the Carpatia Group Romania and Romanian Medical Association for Plasmapheresis, with the support of the Ministry of Research and Innovation.

**INGIMED XX conference does not charge a participation fee!**

## Conference AIM

The **INGIMED XX<sup>th</sup> Conference** will keep track of the achievements of the last two decades and offers opportunities for disseminating and promoting the results of Romanian and international scientific research in the field of biomedical engineering, maintaining direct contact between engineers and physicians, identifying the possibilities of creating consortia targeting joint projects and participating in European research programs, the status of biomedical engineers and computer scientists in the Romanian public health, our involvement in the global effort to save the planet from destruction following climate change, the problems of the exchange of generation in organizing future INGIMED conferences.

The **INGIMED XX<sup>th</sup> PROGRAMME** consists of invited lectures and oral presentations. The presentations should not exceed 20 minutes for invited lectures, or 15 minutes for oral presentations, respectively, including discussions.

The official language of the conference is Romanian and/or English; the full-text papers for publishing will be written in English.

**ABSTRACTS** (written both in Romanian and English languages) will be sent to the Conference Secretariat at the e-mail address [gabriela.obreja@icpe-ca.ro](mailto:gabriela.obreja@icpe-ca.ro). Abstracts will be published in the **ABSTRACTS BOOK**, indexed ISBN, offered to participants upon arrival at the conference.

## DEADLINES

- Abstract registration: October 8, 2019
- Information on the abstract acceptance after the peer review: October 15, 2019
- Full paper registration: October 25, 2019
- Oral presentation submission: October 29, 2019

The papers will be published in the journal "**Bulletin of Micro and Nanoelectrotechnologies**" (ISSN 2069-1505), following a selection process.
